

# Product Change Notification PCN.2014.12.22.1

Discontinuation of

WL250N-USB WiFi V2.0A

Date of Publication: 2014-12-22

## 1. Toradex Product Numbers Affected

EOL Product		Replacement Product	
Part Number	Product Name		
21022000	WL250N-USB WiFi V2.0A		Discontinued

## 2. Product Discontinuation

The above mentioned product has been discontinued. Supplies of this discontinued product are limited with us at the moment. All orders will be filled on a first-come, first-served basis until our inventory is depleted. This product is an evaluation product only. Toradex does not provide any LTB option for this product.

Note: This product is not a Toradex Volume Product with guaranteed long-term availability.

## 3. Description of Changes

The WL250N-USB WiFi V2.0A stick will be discontinued as a Toradex product with immediate effect. The reason for its discontinuation is a new regulation in the European Union (ETSI EN 300 328 V1.8.1) which requires obtaining a new certification for WiFi and other radio products. The WL250N-USB WiFi V2.0A stick doesn't have this certification and can therefore not be imported into the EU anymore starting from January 1<sup>st</sup>, 2015. Toradex has decided not to sell this product anymore.

## 4. Customer Impact

Toradex is currently searching for a replacement USB WiFi product which complies with the latest EU regulations. We expect to have a new USB WiFi product by the end of Q1 2015.

## 5. Definitions

LTB: Last Time Buy

LTS: Last Time Ship

EOL: End Of Life
