3. Changes

Toradex will set the EDT displays to EOL due to the high price. Toradex will provide a new pin-compatible display with similar dimensions and resolution as the EDT 7.0" display for a better price. There is currently no plan for a replacement for the 5.7" display. Please contact Toradex if you are interested in displays smaller than 7".

4. Customer Impact

The products mentioned above are "Evaluation Product", which are not within Toradex's "Volume Product" program. Therefore, Toradex does not guarantee long-term availability for these products. The manufacturer EDT (<http://www.edtc.com/>) continues manufacturing the displays. They can be procured through several distribution channels with the following part numbers:

12041000 EDT 7.0" TFT WVGA with Touch V1.0A: **ET070080DH6**

12031000 EDT 5.7" TFT VGA with Touch V1.0A: **ET057090DHU**
