Change #2: RAM

The RAM part Micron MT53E256M32D2DS-053 WT:B has been replaced with the Micron MT53E256M32D1KS-046 WT:L

4. Customer Impact

Hardware

No Hardware impact is expected, however, please carefully verify the new product version in your environment.

Software**Torizon OS**

No impact is expected due to the changes mentioned above.

Toradex Embedded Linux BSP

No impact is expected due to the changes mentioned above.

eMMC changes usually do not affect customer software, however, please validate your use case. It is recommended to review and test your software, especially if you have customized Toradex-provided software or used your own software to take advantage of eMMC-specific features. A common area to find such customizations is in the customer's factory programming process.

5. Contact

Please contact Toradex if you have any questions:

or commercial and sales questions, please contact shop@toradex.com or your Toradex sales representative.

or technical questions, please contact support@toradex.com.
